Susan	Finkel-Hoffman	I would like to compliment Dr. Lois Zamzow in the Literacy and Language Department. Dr. Zamzow is working to support students in the Wind River Program to pass the Foundations of Reading Test and accompanied a group of UW Oshkosh students to Wyoming for a Spring Break experience. Lois was a great travel companion and a good mentor for BOTH groups of students!	3/28/16
Laura	Rommelfanger	<p>I would like to extend a heartfelt "thank you" to Lisa Mick and the grounds crew.</p> <p>This morning (3/24) Lisa and her team arrived in full force at 2 a.m. to begin the necessary work of plowing, shoveling and taking care of our campus grounds. Despite the fact that they will be missing University Staff Staff Development and Appreciate Day, the entire crew has been responsive, helpful and positive. They continue to work hard so that others can park, access our buildings and travel safely throughout campus.</p> <p>On behalf of the AWCC staff - THANK YOU Lisa and team. We are grateful for both your sacrifice and your great work today.</p>	3/24/16

Laura	Knaapen	Karlie Williams, student employee who works in Clow Classroom Support, saved the night for the guest speaker at the Gamma Iota Sigma meeting. He brought his own very secure laptop, which didn't have a VGA adapter. He needed an HDMI (to VGA) adapter. Karlie took the call, found the cable, and delivered it to the classroom! She also came back at the end of the meeting to collect the cable. Thank you, Karlie!	3/4/16
