Dr. Kenneth	Grieb	<p>It was a pleasure to meet our new Associate Vice Chancellor of Faculty and Academic Staff Affairs, Dr. Carmen Faymonville, this afternoon.</p> <p>After learning that a technical glitch had prevented the SOS software from generating surveys for my interim course, Dr. Faymonville quickly coordinated efforts with Debbie Busse and Dave Halderman, and they made what had been impossible, possible. She walked over to visit us and brought the surveys to us. This was greatly appreciated.</p> <p>Welcome to UW Oshkosh, Dr. Faymonville.</p>	1/18/17
